Dear [REDACTED]

On behalf of [REDACTED] and as a result of our telephone conversation recently, I am happy to inform you that I have finally been able to track down the citation and scroll. They have been withdrawn from the files and forwarded to the Awards and Decoration Branch, Randolph Air Force Base, for presentation to you as soon as the Air Force has the opportunity to record the award. I suspect you will be receiving them in a few weeks since our recent experience is that the Air Force has been distributing these very promptly.

Glad to be of service and best wishes.

Sincerely,

STATINTL
